Last Updated Monday, 03 May 2010

You can use this section of the website to get the minutes from previous meetings including the AGM.

It is hoped that there will be a rolling list of minutes that will include roughly a year's worth of meetings.

All the minutes are saved as Microsoft(R) Word files with a .doc extension or from Oct09 as Adobe Reader Files (.pdf) a download of which can be found free from www.adobe.com. If you have trouble opening the files please email the secretary for a copy.
